Snazzy Snapshots: Digital Documentation in Your Program

**Thursday, February 18, 2010 • Blackhawk College Outreach Center,
East Moline, IL 9:00 a.m. to 4:00 p.m.**

Bring documentation and parent communication to life with several easy-to-use online tools!

- Learn to use your digital camera to create colorful engaging portfolios, photo books, and free media-rich Web sites, sure to impress.
- Discover creative ways to incorporate your digital creations into your program as tools to help you communicate information with parents and staff and market your program.
- All for only \$45!

Partially funded by IDHS. Participants will receive a Certificate of Attendance for 6 hours of hands-on training. Directions and online registration available at <http://cecl.nl.edu/training/workshops.htm>
